You are a special person. Part of a police officer's job is to keep your home and neighborhood safe. A police officer can be found...

... IN A PATROL CAR...

... WALKING
IN YOUR
NEIGHBOR-
HOOD...

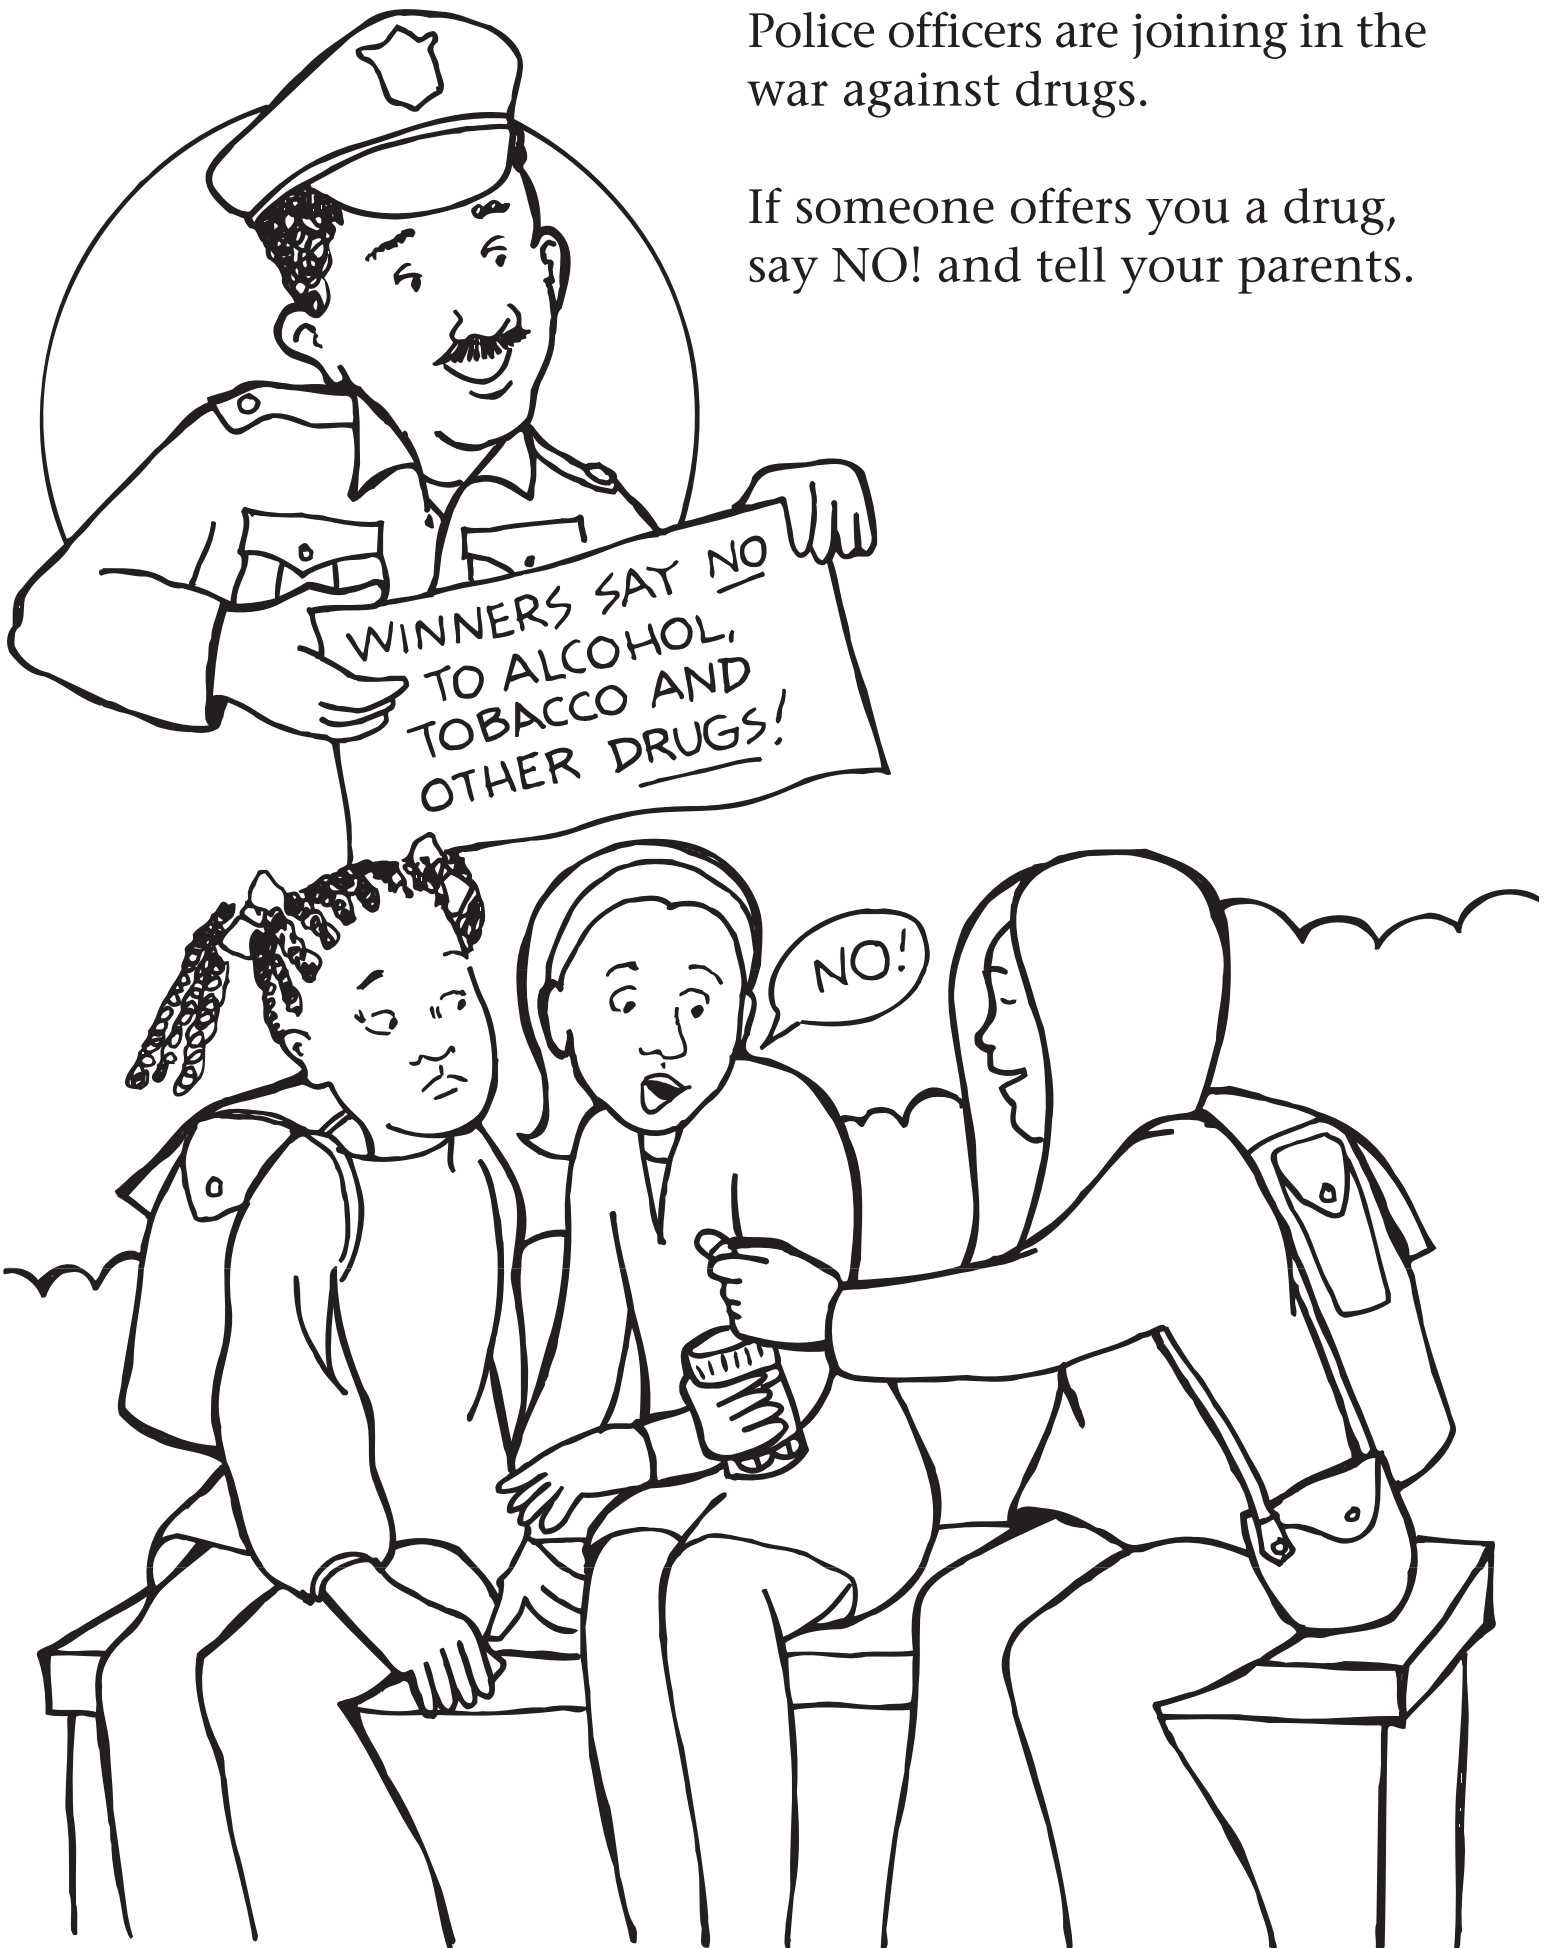

... OR EVEN ON
A HORSE!

Police officers are joining in the war against drugs.

If someone offers you a drug, say NO! and tell your parents.

If you ever get lost, a police officer can bring you to your home or help you contact your mom or dad.

It is important to know how to call for **help in an emergency**.

Fill in your emergency numbers and put them next to your phone.

IMPORTANT PHONE NUMBERS

POLICE _____ FIRE _____

DOCTOR _____ AMBULANCE _____

NEIGHBOR _____ PARENTS (Work) _____

(clip and put next to phone)

Observe the law at all times. Learn what to do and how to do it.

NEVER let anyone touch you who makes you feel unsafe. If they do, tell your parents and have them notify the police.

A police officer is your friend.
